MEMBERSHIP

The rules in U.P.S. are traditional rather than legislative. UPS has always been an anarchistic organization with an extremely diverse membership (the movement has space for so many aspects!).

- 1) All members agree to FREE EXCHANGE OF MATERIAL. If, in rare special cases this is not possible, please notify other members & UPS.
- 2) \$ 25 initiation fee paid upon application for membership (if you really don't have the bread, don't worry about...). New associates become a member when after 10 issues the majority of UPS haven't raised any objections.
- 3) Members must send 12 copies of each issue to U.P.S. in New York (2 by airmail, 10 sea), & ONE TO EACH MEMBER PAPER. They are also requested to honor the UPS LIBRARY SUBSCRIPTIONS, which UPS sells. The 12 copies are used for advertising sales, publicity, & sales.
- 4) UPS members should NOTE ON THEIR MASTHEAD THAT THEY ARE MEMBERS OF U.P.S., so that the public & other UPS members will know. They also should publish the membership list occasionally.
- 5) When reprinting an article or artwork from another UPS member, it MUST ALWAYS BE CREDITED - like: (when taken from IT by Hotcha!) (from IT/UPS), the next taker (from Hotcha!/UPS) - this is not only fair, but protects the other paper's copyright (if any). By the way: for other papers & the readers it might be interesting & funny to see what ways the news sometimes go in the free press network...

FOR EUROPEAN MEMBERS & WOULD-BE-MEMBERS

Exchange with ALL european members & as much american members you can afford (all of 'em would be great), always send to UPS & Liberation News Service. If you exchange with all the members it's only about \$Fr.50.-/\$ 10 for postage, package & printing about 200 more copies (each issue) - not expensive for a regular complete news service, or is it? And (my trip): isn't it beautiful to know (when sending out your exchange subscriptions) that in every part of the world, under various circumstances, someone &/or a few people like you are reading & enjoy your paper!?

For many european papers the still growing list of UPS members is too much to publish in full - so why not at least print the european member list & a selection of the american & canadian members (those you think YOUR readers would be interested in, probably alternating each time). Suggest your readers to send 4 IRC's for a sample of any UPS-paper (most of us can't send many free samples).

When you are U.P.S. member you get from UPS in New York the What Is & How Works UPS Story, the U.P.S. Directory, the up-to-date member lists & also their regular news service FRINS. PLEASE, IN EXCHANGE FOR THEIR WORK, RUN THE UPS-ADS & AID THE LIBRARY SUBSCRIBERS ON YR FREE MAILING LIST (you'll be getting both from U.P.S.).

If your paper does not come out for half a year, other members will think it's gone & stop exchanging - so do your best...

POWER TO THE FREE PRESS! WE DON'T WANT DOWNS, WE WANT UPS!

It's time to expand the european communication network of the free press. Too many european alternative papers ain't even exchanging subscription... don't forget: the free press' power is based on IMAGINATION & EXCHANGE. It's your news, it's our news, it's THE NEWS - the only news source you can trust. So check out if all these DEAL FOR REAL addresses are really on your exchange mailing list, brothers & sisters, DO IT NOW!
